August 1, 2006

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**Fish and Game Propagation Fund Grant Awards
(All Supervisorial Districts)
(3-Votes)**

IT IS RECOMMENDED THAT YOUR BOARD approve the following Fish and Game Propagation Fund grant request totaling \$2,500 for:

The August 18, 2006 Fishing in the City event to stock the lake at Kenneth Hahn Park with catfish.

PURPOSE OF RECOMMENDED ACTION

The Commission determined the grant request will promote education, conservation and the propagation of fish and game thus benefiting Los Angeles County and the State of California.

JUSTIFICATION

The Los Angeles County Fish and Game Commission, at its July 13, 2006 meeting, recommended that your Honorable Board approve the grant from the Fish and Game Propagation Fund. Since 1952, the Commission has supported activities and projects overseeing the propagation and protection of fish and game. The Commission continues to promote the best methods for the propagation and protection of fish and game in the state of California and Los Angeles County.

FINANCING/FISCAL IMPACT

There is no impact on the General Fund. The approved expenditure will be charged to the Fish and Game Propagation Fund, which has sufficient funds to cover these costs.

To enrich lives through effective and caring service

The Los Angeles County Fish and Game Propagation Fund is financed from a percentage of penalty assessments collected relating to Fish and Game Code violations in Los Angeles County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Section 13100 of the Fish and Game Code establishes guidelines for the expenditure of fines levied for fish and game code violations. It includes public education relating to the scientific principles of fish and wildlife conservation, consisting of supervised formal instruction carried out pursuant to a planned curriculum and aids to education such as literature, audio and video recordings, training models, and nature study facilities.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

None.

Very truly yours, ^{pmp}

John H. Hybarger
Chairman
